STAMINA® G

LONG-TERM GRANULAR WETTING AGENT

Stamina G® is a spreadable 20% active, non-ionic, professional-grade wetting agent on a Zeolite carrier. It alleviates problems associated with localised dry spot (LDS) from hydrophobic soils in turf & ornamental areas.

- Relieves problems with hydrophobic soils
- Reduce water requirements by increasing the rate and depth of water penetration
- Good level of plant beneficial cations (Ca, Mg, K)
- CEC level of 72meq/110g
- Extremely useful for a variety of turf and garden situations
- Only 1-2 applications necessary in the growing season

DIRECTIONS FOR USE

Stamina G® works best when applied early in the growing season prior to moisture stress. However it can be used curatively to relieve plant stress due to hydrophobic soils any time during the year.

Application Rates		
Per 100 sqm	Per Hectare	Comments
1.25-2.5kg	125-250kg	Sprinkler irrigation of 6mm is recommended to wash the particles off the plant leaves and release the active ingredient into the soil.

SAFETY DIRECTIONS

Keep out of reach of children. Users are cautioned to take reasonable safety precautions when handling and applying this product. Avoid contact with eyes and skin. For more information refer to the safety data sheet (SDS) which is available from the supplier or visit www.nuturf.com.au

CONDITIONS OF SALE

Nuturf shall not be liable for any loss injury damage or death whether consequential or otherwise whatsoever or howsoever arising whether through negligence or otherwise in connection with the sale supply use or application of this product. The supply of this product is on the express condition that the purchaser does not rely on Nuturf Australia's skill or judgement in purchasing or using the same and every person dealing with this product does so at his own risk absolutely. No representative of Nuturf has any authority to add to or alter these conditions.

Additional information under the Globally Harmonised System (GHS):
GHS Signal word: WARNING.
HAZARD STATEMENT: Repeated exposure may cause skin dryness or cracking.

STORAGE: Store in a dry place. Store in a closed container.
