

One PUTT

Striker One PUTT contains 100% Bariviera Poa Trivialis

Bariviera Poa Trivialis:

Bariviera Poa Trivialis is a medium dark green, with very fine leaf texture. Bariviera has excellent turf density, and coupled with a more upright growth habit, makes an excellent putting surface.

There are considerably less horizontal stems with Bariviera, keeping overall turf quality high. Even though Bariviera is very dense, it allows transition back to couchgrass very smoothly and quickly.

Benefits of Striker One PUTT:

- Excellent turf quality
- Low vertical growth
- Very fine leaf texture
- Medium dark green colour
- Upright growth habit
- Performs well in shade
- Excellent seedling vigor
- Outstanding mowing quality
- Highly rated in NTEP Trials
- Transitions out smoothly in late spring

Bariviera has been used successfully in Australia and has become the Poa Trivialis of choice by leading superintendents in QLD, NSW and VICTORIA.

Bariviera, combined with ryegrass makes an ideal tees overseeding combination.

Seeding Rates:

Greens: 4-6 kgs per 100 m².
